\*EOIR derived this information using an information code (CaseID: J, UJ, J1, J2) that is not required to be entered into our case tracking system. This information may be modified or changed at any time, therefore, the information on the number of juvenile proceeding receipts and completions may vary each time this code is modified. Per OPPM 07-01, Guidelines for Immigration Court Cases Involving Unaccompanied Alien Children, the definitions for juvenile codes are: J-a child in proceedings that has a parent or legal guardian in the United States who is providing care and physical custody; UJ-a child in proceedings meets the definition of an unaccompanied alien child if he has no parent or legal guardian in the United States or no parent or legal guardian in the United States available to provide care and physical custody; J1-the child has been released from DHS custody or ORR custody to a sponsor, parent, or legal guardian or if the unaccompanied alien child attains the age of 18 while still in proceedings; J2-all cases identified by the judge as falling under the asylum jurisdictional provision of the TVPRA.

\*\*Where it necessary to protect privacy interests, EOIR does not report numbers lower than four.

\*EOIR derived this information using an information code (CaseID: J, UJ, J1, J2) that is not required to be entered into our case tracking system. This information may be modified or changed at any time, therefore, the information on the number of juvenile proceeding receipts and completions may vary each time this code is modified. Per OPPM 07-01, Guidelines for Immigration Court Cases Involving Unaccompanied Alien Children, the definitions for juvenile codes are: J-a child in proceedings that has a parent or legal guardian in the United States who is providing care and physical custody; UJ-a child in proceedings meets the definition of an unaccompanied alien child if he has no parent or legal guardian in the United States or no parent or legal guardian in the United States available to provide care and physical custody; J1-the child has been released from DHS custody or ORR custody to a sponsor, parent, or legal guardian or if the unaccompanied alien child attains the age of 18 while still in proceedings; J2-all cases identified by the judge as falling under the asylum jurisdictional provision of the TVPRA.

\*\*Where it necessary to protect privacy interests, EOIR does not report numbers lower than four.

\*EOIR derived this information using an information code (CaseID: J, UJ, J1, J2) that is not required to be entered into our case tracking system. This information may be modified or changed at any time, therefore, the information on the number of juvenile proceeding receipts and completions may vary each time this code is modified. Per OPPM 07-01, Guidelines for Immigration Court Cases Involving Unaccompanied Alien Children, the definitions for juvenile codes are: J-a child in proceedings that has a parent or legal guardian in the United States who is providing care and physical custody; UJ-a child in proceedings meets the definition of an unaccompanied alien child if he has no parent or legal guardian in the United States or no parent or legal guardian in the United States available to provide care and physical custody; J1-the child has been released from DHS custody or ORR custody to a sponsor, parent, or legal guardian or if the unaccompanied alien child attains the age of 18 while still in proceedings; J2-all cases identified by the judge as falling under the asylum jurisdictional provision of the TVPRA.

\*\*Where it necessary to protect privacy interests, EOIR does not report numbers lower than four.
